

QUALITY POLICY

Hama Hydraulics and Hama Hydraulics Equipment Testing are specialist providers in the supply of services and products related to hydraulic equipment. The management and staff are committed to consistently providing high quality products and services that meet and exceed our customers' expectations.

The management and staff at Hama Hydraulics and Hama Hydraulics Equipment Testing are committed and will strive to ***Provide an exceptionally high-quality level of products and services to our customers.***

Management and staff at Hama Hydraulics and Hama Hydraulics Equipment Testing are committed to navigating the challenges of a changing climate; to operate, manage and adapt in a way that is environmentally sustainable and responsible.

As part of our Management System, we will:

- Define and meet objectives, by documenting and monitoring results.
- Comply to applicable statutory, regulatory and ISO 9001 requirements enabling Hama Hydraulics and Hama Hydraulics Equipment Testing to continually improve its processes.
